AETHER Interface Icon Set Reference

1. System Core Icons

Core Engine	icon-core-engine	Settings or logic core
Memory Access	icon-memory-access	Mnesis agent or log replay
Agent State	icon-agent-state	Identity or persona switch
Prompt Flow	icon-prompt-flow	Dreamline router or architecture map
Signal Sync	icon-signal-sync	Resync, log reentry, loop detection

2. Symbolic Elements

Emotive Flow	icon-flow-reverie	Used for Reverie or intuition fragments
Inner Signal	icon-inner-signal	Mood tone or ambient interface
Catalyst	icon-agent-inferaia	Inferaia or transformation prompts
Memory Echo	icon-memory-ripple	Mnesis pulse or recursion pattern
Reflection	icon-reflection	Insight, journaling, internal clarity
Whisper Flow	icon-whisper-flow	Abstract movement or presence indicator

3. Navigation and Micro Actions

Navigation Arrows	icon-nav-arrows	Back, return, next
New Thread	icon-new-thread	Create node, initiate interaction
Timeline	icon-timeline	Log view, memory stream
Map View	icon-map-view	Echo-mood landscape or agent orbit
Insight Bubble	icon-insight-bubble	Whisper suggestion or fragment trail

4. Agent Fragment Markers

Ripple Ring	icon-fragment-echo	Echo signal from Mnesis
Spiral Mist	icon-fragment-spiral	Reverie mood sense
Pulse Dot	icon-fragment-pulse	Living presence detected

Glow Line	icon-fragment-glow	Fade or illuminate fragment in motion
Split Arc	icon-fragment-split	Divergence or fork in logic trail

5. Suggested AETHER-Specific Icon Tokens

- icon-core-engine
- icon-agent-inferaia
- icon-fragment-echo
- icon-prompt-dreamline
- icon-flow-reverie
- icon-state-shift
- icon-memory-ripple
- icon-tone-pulse
